

MP725 - 1D/2D Presentation Imager

the Readers you trust

Bullet-points

- Stylish, compact design, ideal for constrained-space environment
- Read all common 1D/2D barcodes from paper labels and electronic screens
- Megapixel image ensures better performance in decoding hard-to-read barcodes
- With larger angles, adjustable omni-directional scanning head meets various needs
- Image auto-induction function effectively reduces power consumption and subsequent core components abrasion
- Solid-state design, no easily worn-out or fragile parts, ensures high reliability and durability
- Multiple common interfaces allow easy integration
- into different devices
- Ergonomic finishing grip, suitable for handheld operation
- Green aimer, bicolour LED indicator and loud sound deliver comfortable and convenient scanning experience
