

# CRV3 - Fiscal Cash Register

the Register you trust

## Bullet-points

- Portable Fiscal cash register
- Up to 150mm/s high print speed, the first of portable ECR in the world
- Super tiny, unique front paper-out design  
2G SD card, GPRS, Ethernet are optional based on different local fiscal regulation requests
- Power saving, automating into sleep power saving mode when idles
- Long battery life (work for 8H-15H or print 1500 receipts continuously), perfect for portable ECR
- Support updating program or transferring data by network, U disk or GPRS without opening the machine cover
- Wonderful touch button experience
